

Read more: <http://robot6.comicbookresources.com/2010/11/can-you-unravel-the-secret-of-all-star-superman/>

What's that you say? You didn't know there was a secret? Well, various internet wonks have been kicking around a very intriguing theory about Grant Morrison and Frank Quitely's All Star Superman — the Absolute Edition of which hits stores tomorrow — involving its villain, Lex Luthor. In his latest column at Techland, Douglas Wolk [...]
