

Read more: <http://robot6.comicbookresources.com/2010/11/dc-comics-confirms-that-doomsday-will-return-in-steel-1/>

DC's The Source blog confirmed today that the teaser we shared last week is indeed an indication that Doomsday, the monstrous villain who once killed Superman, will return in January. The villain will return in the Steel one-shot, one of several "iconic" one-shots that month. The story will continue in Outsiders #37, JLA #55 and [...]
