

Read more: <http://robot6.comicbookresources.com/2010/11/elements-of-craft-jim-campbell-talks-lettering/>

For those who are interested in the details of the craft, letterer Jim Campbell, has set up Jim Campbell's Comic Book Lettering Blog, and if the title seems straightforward enough, the URL takes a moment's thought. (Here's a hint if you're still mystified.) This blog is probably more useful to aspiring letterers (and comics creators) [...]
