

It's been, oh, about six months since the last "fake geek girls" flare-up, but no matter when the next argument erupts, WeLoveFine.com has you covered. Showcased in the T-shirt collection curated by writer Kelly Sue DeConnick are two designs made especially for (in her words) "Male-Type-Guy-Dudes." "Look. Here's the deal: you're not fooling anyone. We [...]"
