

Read more: <http://robot6.comicbookresources.com/2010/11/gabrielle-bell-peeping-tom/>

If you remember Lucky cartoonist Gabrielle Bell's San Diego Comic Con "comicummentary", you already know she's a master of depicting awkward social situations. Well, they don't come much more awkward than "Voyeurs," the latest strip Bell has posted to her website. In this one, a rooftop party full of people gets a strangely irresistible eyeful [...]
