

Read more: <http://robot6.comicbookresources.com/2010/11/grumpy-old-fan-earth-one-welcomes-new-superman-fans/>

Throughout the character's history, Superman has been introduced and reintroduced to various audiences through various media. There have been Supermen on radio and film, on television and in prose, and of course in comics. The new Megamind apparently leans heavily on a Superman pastiche, and the newest "proper" Superman movie is being guided by producer [...]
