

In 2008-09, Grant Morrison wrote (and J.G. Jones and others drew) DC Comics' big-event miniseries Final Crisis. While it wasn't the last cosmic-minded crossover, in many ways it was the crest of a wave that had been building since 2004's Identity Crisis. The fallout from Identity Crisis sparked a new "Crisis Cycle," leading into 2005-06's [...]
