

Humanoids has announced it bought the company's long-missing original logo, hand-drawn in 1974 by co-founder Jean "Moebius" Giraud. The inked piece, measuring 4.25 inches by 6 inches, was purchased Friday for \$6,572.50 in the same Heritage Auctions sale that featured the earliest Superman cover art known to exist. Moebius teamed with Jean-Pierre Dionnet, Philippe Druillet [...]
