

This isn't a "Best of 2012" list, because (a) 2012 isn't finished yet, and (b) every time I attempt to put "Best of" lists together, I inevitably end up forgetting something that I utterly adore and feel guilty about it afterwards. Instead, inspired by Thursday's upcoming holiday and the fact that you might be thinking about buying things on Friday for some reason, here are five things in comics from this year that I'm thankful for.
