

Read more: <http://robot6.comicbookresources.com/2010/11/the-wisdom-of-julia-wertz/>

It's funny because it's true: Julia Wertz provides a peek into the effects of reviews on a creator's psyche at The Fat Party. Then to prove she's not that thin-skinned, she posts some excerpts from bad reviews at her blog: Only in America could an alcoholic, whiney, self-sabotaging person with limited artistic skill write and [...]
