

There's more to Chris Claremont than the X-Men. You just have to look. And it appears Titan is doing just that, as the U.K. publisher has announced it's collecting Claremont and John Bolton's long out-of-print sword-and-sorcery comic Marada the She-Wolf. Originally published in Marvel's mid-1980s creator-owned outlet Epic Illustrated, the story follows a Roman-era warrior [...]
