

X-Men: First Class charts the epic beginning of the X-Men saga, and reveals a secret history of famous global events. Before mutants had revealed themselves to the world, and before Charles Xavier and Erik Lensherr took the names Professor X and Magneto, they were two young men discovering their powers for the first time. Not archenemies, they were instead at first the closest of friends, working together with other Mutants (some familiar, some new), to stop Armageddon. In the process, a grave rift between them opened, which began the eternal war between Magneto's Brotherhood and Professor X's X-Men. Starring James McAvoy as Charles Xavier, Michael Fassbender as Erik Lensherr, Nicholas Hoult as Hank McCoy, Jennifer Lawrence as Raven Darkholme, Lucas Till as Alex Summers/Havok, Caleb Landry Jones as Sean Cassidy/Banshee, Kevin Bacon as Sebastian Shaw, Oliver Platt as the Man in Black, Jason Flemyng as Azazel and Rose Byrne as Moira
