

The 'X-Men: First Class' official Facebook page has set up a program called 'X-Perts' where fans get to submit their own questions they want answered and this time fans were asked to submit their questions to Caleb Landry Jones who plays Banshee in the upcoming movie. In the movie, will you wear the yellow-and-green uniform from the comics? Yellow, blue and black. What is your relationship with Moira in the film? Strictly platonic. In the comics Banshee is roughly the same age as Professor X - because there isn't much reference to a younger Banshee in the comics did you have more freedom to portray the character? Not really. Only his motives should be less developed. Not yet the man he is to become. What was the coolest part of your role in the film? The character's appetite for a good party. I was wondering if Banshee's powers will be limited to just the sonic scream, or will he be
