

Do American's look bad in spandex? Henry: I'm sure some do! You're currently to be testing for Jason Bourne? Luke: Ah Yes. Can you tell us how that's going, how you're feeling about it, and the enthusiasm you have for that. Luke: Big, Its a big deal, it's a fantastic role, portrayed three times very very successfully. And uh, I love Bourne films, I love what Matt[Damon] did in them. It's hard to push that out now I think, but this is a new character you know its not Jason Bourne.... so yeah it's a big job to choose/shoot the film but I've met the director, he's fantastic. The script I've been given I was allowed to read the whole script, no one's allowed to read the whole script. The script I've been given is so great, it just roles out the tongue. Its just nice to be in good company with whoevers left.
