

MTV News have release a small excerpt of their 20 minute interview with Chris Evans, which will air in full later this evening on the site at 7:56 p.m. ET. As well as the Q&A, a brand new clip from the highly anticipated Marvel Studios movie is also expected to debut. Get More: Movie Trailers, Movies Blog "I did not get to keep any of the costumes, unfortunately. Because a lot of times on films you have to go back to do re-shoots, and if they don't have the suit available, we're in trouble. And no, they were not comfortable." "In 'The Avengers,' the suit is much more slick, it's modern. There is a lot of range of motion and it makes those fight sequences a lot easier. It looks fantastic." With an all star cast which includes Chris Evans as Captain America, Sebastian Stan as Bucky, Hugo Weaving as Red Skull, Hayley Atwell as
