

Despite being busy with various projects, Jordan Freda of The Base Studio was kind enough to take the time to talk to me about their work on Captain America: The First Avenger, THOR and even The Smurfs! Click to head on over to their site and be sure to give their Facebook page a "Like" for all the latest news and gossip from the studio by clicking here. What is Base Studio? Rooted just south of San Francisco California, The Base is a media production powerhouse specializing in the art of visual effects, motion graphics and creative content development. With a strong foundation in cutting edge technologies, our diverse team of multi-disciplined artists consistently delivers quality beyond our clients expectations. The Base Studio, January 2011 VFX Demo Reel from The Base Studio on Vimeo. What can you tell us about your work on Captain America: The First Avenger? The Base Studio conducted a few various
