

Talented voice actor Josh Keaton took time out of his schedule to sit down and answer a few questions about the new animated take on Green Lantern that is scheduled to come out later this year, including how he got the part, what he did to prepare, and what to expect from Hal's relationship with Kilowog. More famous for lending his voice to Spider-Man he was kind enough to talk a little about voicing the Web Slinger in the upcoming Edge of Time video game and gives us his thoughts on Andrew Garfield as the new live Action Spider-Man in next Summers The Amazing Spider-Man. How did you get the role of Hal Jordan/Green Lantern? Basically it was like any other role, it came to me as an audition from my manager and I read for it. It was actually a little bit different from a lot of voice over projects I've
