

The pic comes from the latest issue of Entertainment Weekly, from which we have also aggregated about 450 Spidey pic from today too! Anyway In the mag Farrel says.. "The tone will be much less jokey" than Arnold Schwarzenegger's 1990's sci-fi hit. He says, "there's not as much tongue-in-cheek" and that he wouldn't feel comfortable delivering lines like 'Consider dat a divorce!'" Aww, I was looking forward to hearing that! Here is the official synopsis and cast list.. "Welcome to Rekall, the company that with one little implant can turn your dreams into real memories. For a factory worker named Doug Quaid (Colin Farrell), the mind-trip sounds like the perfect vacation from his ordinary existence. But when the procedure goes horribly wrong, Quaid becomes a hunted man. With the line between fantasy and reality blurred and the fate of his world hanging in the balance, Quaid goes on the run to discover his true
