The first images of the cast in full costume were met with a ..mixed response! But I think the officially released pic in a higher res was a bit better received. Now we have these stills from the flick which give us our first look at Kevin Bacon as Sebastian Shaw, Caleb Landry Jones as Banshee and a pre "Beast" Nicholas Hoult.. Hero Complex also have the first quotes from director Mathew Vaughn since filming ceased on the X-Men prequel. But as we now know, re-shoots are currently underway.. "I'm at that stage where I feel like a boxer against the ropes, I'm just throwing punches and taking them as they come and making sure I don't hit the canvas. We're filming at the moment, we've a lot to get done. I've never worked under such time pressure. The good thing about the independent world is I never even knew if I was
