

Reviews for Captain America: TFA are embargoed right up until the 20th. But that hasn't stopped a few folks Tweeting their initial reactions. Nobody goes into too much detail, but if you are looking for an idea as to how the movie has gone down with a handful of net journos, look no further.. Hero Complex's Geoff Boucher tweets.. First react: "Captain America: TFA" is the first Marvel Studios film that presents a compelling on-screen romance. From Aussie TV host Renee Bargh.. I just saw Captain America & I have to admit Chris Evans did an awesome job & was looking pretty fine! Looking forward to interviewing him. Filmmaker Olivier Lebourg.. Wow. Captain America was way better than I expected. A bit like Rocketeer on steroids with a hint of Indiana Jones... LOVED it! They did such a great job with the character that I kinda wish we'd get a sequel before the Avengers. Even though I
