Human Target is DC/Vertigo comic book show by WBTV. Christopher Chance is the mysterious security-for-hire protecting his clients by becoming the Human target. Chance is assisted by business partner Winston and hired gun Guerrero in each job. The 11th episode of Human Target's second series is titled "Kill Bob," which airs January 26th on FOX (no official description is available as yet). LEEE777 - Many thanks to Target419 for the find, a site devoted to the Human Target link below and I for one can't wait and for that matter the double episode runs tonight too.
