

Talking to The Daily Mail, the beautiful Mad Men actress talked a little more about the character of Emma Frost in X-Men: First Class as well as some of the more dangerous stunts she was involved in while taking on Michael Fassbender's Magneto. On The Character And Look Of Emma Frost In X-Men: First Class: You hold yourself differently and it creates that incredibly feminine shape, though I'm glad I don't have to wear it every day. Emma Frost, my X-Men character, has an impossible body. She has huge boobs with nice, womanly curves, but she is also ripped with muscle. In the amount of time I had to train it just wasn't possible to achieve that amount of muscle without losing all the good bits. We finished Mad Men at the end of August and I had one day to fly to London to start X-Men. On The Hazardous Stunts And Action Scenes: I
