

In HOLY TERROR, join The Fixer, a brand new, hard-edged hero as he battles terror. The graphic novel is a no-holds-barred action thriller told in Miller's trademark high-contrast, black-and-white visual style, which seizes the political zeitgeist by the throat and doesn't let go until the last page. "It has been my extreme pleasure and honor to have worked so closely with Frank for over 20 years now," says Legendary Comics editor Bob Schreck. "Holy Terror finds Frank at the top of his game. A fast paced, biting commentary on our uncertain and volatile times, told with some of the most gut-wrenching, iconic images he's ever produced." HOLY TERROR is a 120 page hardcover graphic novel with spot-color interiors presented in a 10 x 13 landscape format. Distributed by Diamond Books, HOLY TERROR retails for \$29.99 and will be in stores on September 14. Adds Newsarama on the subject, "The project started life as Holy
