

X-Men: First Class charts the epic beginning of the X-Men saga, and reveals a secret history of famous global events. Before mutants had revealed themselves to the world, and before Charles Xavier and Erik Lehnsherr took the names Professor X and Magneto, they were two young men discovering their powers for the first time. Not archenemies, they were instead at first the closest of friends, working together with other Mutants (some familiar, some new), to prevent nuclear Armageddon. In the process, a grave rift between them opened, which began the eternal war between Magneto's Brotherhood and Professor X's X-Men. By Simon Mirodau of Quickflix: With The Dark Knight, we got the first great Batman movie. With Spider-Man 2, we got the first great Spider-Man movie. We're still waiting for the first great X-Men movie. Although the mutant Marvel heroes should be a more than adequate mine for motion-picture material, all five film adaptations
