

Made from PU leather and polyester, this soft, bi-fold wallet features classic, embossed images of Green Lantern in action.....underneath his very own logo! This wallet feels like real leather; like tooled leather where the design was indented or hand pressed. The muted, faded coloration adds to the rustic appearance, as well as the border stitching. Open up this Green Lantern wallet to reveal a colored, indented Green Lantern symbol on the bottom right corner, as well as multiple pockets for multiple things. Closed, this GL wallet measures 4.25" across and 3.5" high. Opened, it's still 3.5" high, but now it's roughly 8.5" across. This Green Lantern wallet is perfect for....walleting. We also have a bunch of other Superhero Wallets on our sister site.
