If you've never heard of Mondo before, it's the collectible art boutique arm of Alamo Drafthouse Cinema that has been taking the fan community by storm because of its high-quality, limited edition movie posters and t-shirts featuring popular genre movies like Star Wars, Tron and many more. The latest posters tackle the Hellboy movies and will be made available this Friday. Only 360 of the 24x36 posters will be printed and they each cost \$45. Hellboy by Florian Bertman Hellboy II by Ken Taylor Here are some of the previously-released MONDO posters: Follow me on Twitter! If you dare...
