

It seems we can expect to see a line up of new fall TV shows that take inspiration from science fiction and fantasy. Will you be tuning in? Remember the fairy tales your parents used to tell you before bedtime? Well, those weren't stories, they were warnings. Detective Nick Burkhardt thought he was ready for the grim reality of working homicide in Portland, Oregon. That is, until he started to see things... things he couldn't quite explain. Like a gorgeous woman suddenly transforming into a hideous hag, or an average Joe turning into a vicious troll. Then, after a panicked visit from his only living relative, Nick discovers the truth about his visions: he's not like everyone else, he's a descendant of an elite group of hunters known as "Grimms" who are charged with stopping the proliferation of supernatural creatures in the world. And so begins his new life journey - albeit a
