It's been quite a while since we had any new information on the movie Priest starring Paul Bettany. Well today we have a brand new trailer for the film. Here is a brief film synopsis from Screen Gems... PRIEST, a post-apocalyptic sci-fi thriller, is set in an alternate world -- one ravaged by centuries of war between man and vampires. The story revolves around a legendary Warrior Priest from the last Vampire War who now lives in obscurity among the other downtrodden human inhabitants in walled-in dystopian cities ruled by the Church. When his niece is abducted by a murderous pack of vampires, Priest breaks his sacred vows to venture out on a quest to find her before they turn her into one of them. He is joined on his crusade by his niece's boyfriend, a trigger-fingered young wasteland sheriff, and a former Warrior Priestess who possesses otherworldly fighting skills. Priest directed by Scott
