

Here we have official confirmation of the titles of both of Peter Jackson's Hobbit installments, as well as release dates, cast lists etc. There is also a synopsis for the movies.. New Line Cinema, Warner Bros. Pictures and MGM have announced the titles and release dates for filmmaker Peter Jackson's two-film adaptation of J.R.R. Tolkien's enduringly popular masterpiece "The Hobbit." The first film, titled The Hobbit: An Unexpected Journey, will be released on December 14, 2012. The second film, titled The Hobbit: There and Back Again, is slated for release the following year, on December 13, 2013. Both films are set in Middle-earth 60 years before Tolkien's "The Lord of the Rings" which Jackson and his filmmaking team brought to the big screen in the blockbuster trilogy that culminated with the Oscar-winning The Lord of the Rings: The Return of the King. The adventure of "The Hobbit" follows the journey of title character
