Paolo Rivera, a comic book painter best known for several issues of 'Spider-Man', recently revealed his latest work via his blogspot, for Marvel's new digital comic book series, that tie-in with the much-anticipated Captain America: The First Avenger movie. With the the eight-part series titled 'Captain America: First Vengeance', check out the cover below. Also below, Paolo Rivera reflects back on the process of creating the piece. "When I first painted the image, I had only as much reference as was widely available on the internet, which consisted of an Entertainment Weekly cover, concept art, and low-res pics of a stunt man on a motorcycle. In other words, I didn't know exactly what the helmet looked like, and so did the best that I could with what I had. Just prior to the cover's on-line debut—and after the helmet was revealed—my editor asked for a revision with more faithful details. But I
