

Talking to MTV News in Russia (where Transformers: Dark of the Moon is set to premiere) the actor has once again expressed interest in playing the character in the long rumored movie adaptation from Marvel Studios. Dempsey has discussed the role of Doctor Strange in the past, but goes into even more detail about that possibility in the following video interview as well as the way in which he think Strange should be brought to the big screen, how he'd campaign for the role and checking out the reaction from fans afterwards!
