

Martin Asbury, storyboard artist, illustrator and strip cartoonist, recently updated his official site with storyboards for an action sequence in Marvel's much-anticipated Captain America: The First Avenger. The storyboards, featuring the avenger in combat with several pilots as well the menacing Red Skull, also further reveals a nod to Thor's universe. With a possible Spoiler, check them out below! Be sure to read the captions on the right, if you haven't already done so. And evidently, while it's possible these storyboards may not go down in the actual film, it's quite interesting. What do you think? Captain America: The First Avenger focuses on the early days of the Marvel Universe when Steve Rogers volunteers to participate in an experimental program that turns him into the Super Soldier known as Captain America. As Captain America, Rogers joins forces with Bucky Barnes and Peggy Carter to wage war on the evil HYDRA organization, led
