

A recent interview with a extra from TDKR might possibly reveal how similar the movie is to the comic storyline "Knightfall". Know Your Marvel News: So you are an extra in The Dark Knight Rises? "TheDredog21": I'm a Extra in the movie when we start shooting in Pittsburgh next month. KYMN: You say next month, is there anything you have already filmed, anything new that we saw in the teaser? "TheDredog21": [in the trailer] The Epic Conclusion is referring to the fight scene between Bane and Batman. Batman does get bloodied and beating to a pulp finally bane has Batman over his head in the airwell you just have to find out what happens but the first official trailer you will see has young Ra's al ghul and Catwoman. But it is Bane and batman at the end of the trailer Batman is limping and Bane is limping as
