

Five day's from it's much-anticipated release, 20th Century Fox have released yet another movie still from their Matthew Vaughn-directed X-Men: First Class prequel. Featuring a piercing new look at actress Jennifer Lawrence as Mystique, now evidently seeming more comfortable with her shapeshifting mutation, check out the image below. X-Men: First Class charts the epic beginning of the X-Men saga, and reveals a secret history of famous global events. Before mutants had revealed themselves to the world, and before Charles Xavier and Erik Lensherr took the names Professor X and Magneto, they were two young men discovering their powers for the first time. Not archenemies, they were instead at first the closest of friends, working together with other Mutants (some familiar, some new), to stop Armageddon. In the process, a grave rift between
