

News of the World film critic Robbie Collin took to his Twitter account earlier today (@robbiereviews) to share his thoughts on X-Men: First Class in a rather cryptic fashion. With an embargo currently stopping reviews of the movie turning up online, the British journalist was crafty enough to not make it too obvious...one thing which is clear though, is that the prequel is a good movie! So jealous of everyone in Cannes who's seeing X-Men: First Class this morning!!! Oh no, hold on a minute - THAT WOULD BE ME, BITCHES. Film watched. Now I'm off to get a really quite excellent sandwich. Woah, woah. Everyone's reading far too much into this. All I'm talking about is a great fun yet multi-layered and at times moving sandwich. In response to someone who asked whether the "sanwich" was better than the last 3 "sanwiches" he's eaten, he replied: In my view? Yep. It's a Sandwich Begins kinda
