

"I'll strip the meat of your bones before you can reach me."--RIPTIDE --> Comic Book History
Who is RIPTIDE? RIPTIDE is Janos Queda a Marvel Comics supervillain appearing mostly in X-Men books. He is a member of the Marauders and has the power to spin at superhuman speeds, shooting sharp objects out of his tornado-like body at his enemies. RIPTIDE was created by Chris Claremont, John Romita, Jr., and Dan Green. First Appearance RIPTIDE started his comicbook career as a member of Gambit's Marauders, a team requested to be brought together by the villainous Mister Sinister. RIPTIDE was part of the Marauders that Mr. Sinister dispatched into the sewers under New York City to kill the subterranean mutant collective known as the Morlocks. RIPTIDE was responsible for severely injuring X-Men members Nightcrawler and Colossus. Having seen the results of RIPTIDE's actions, Colossus had been pushed close to his emotional breaking point and later finally snapped.
