

There has to be a few Hot Rod fans around here right? I know I am anyway. never mind being one of the greatest heels(that's bad guys for non wrestling fans:) of all time, who can forget his ridiculously awesome performance in They Live? Anyway, WWE.com caught up with Piper to chat about his voice work on Green Lantern: Emerald Knights.. How did he come by the role?.. The director heard me do other voice-over work and she asked me if I would do the voice for Bolphunga in the Green Lantern short. I actually loved working with Andrea Romano and I didn't know a whole lot about the characters, but it turned out to be a really fun experience. What type of character is Bolphunga? Bolphunga is this real bad guy with no redeeming qualities, kind of like Mr. McMahon. He's this alien that just doesn't care about anybody. Bolphunga's attitude actually reminded me
