First off we have this post from Solidus over on the SHH forums. Now ordinarily I wouldn't post anything from there even as rumor but it would seem that this particular guy is looked on as a pretty reliable source of info. And It appears that he did know about Hardy being Bane quite a while ago at least so I figured this was worth sharing even just as something to speculate on. Anyway, here is what he had to say.. Okay. Myself and a few others on these boards have known about Tom Hardy/Bane being the villain for a few months now. And a few will chime in here to show the validity of what I'm about to tell the Hype. A few months back we heard from a reliable source that Tom Hardy actually did not know who he was playing (Not a big Bat fan I guess) but knew three
