

"Through space the universe encompasses and swallows me up like an atom; through thought I comprehend the world."--Blaise Pascal Last seen SILVER SURFER defeating that horrible Galactus Cloud, let us get some breather and learn more about this former herald. Who he is and what are his powers? --> Who is SILVER SURFER? SILVER SURFER is Norrin Radd from the planet Zenn-La. He offered his services to Galactus, the devourer of worlds, in return for his home be spared. Galactus gifted him with a portion of his "Power Cosmic" and a surfboard like transportation that allows him to travel the universe to look for worlds that his master can devour. But his inherent nobility will make him rebel against Galactus, to become his own person again and become the Sentinel of the Spaceways. The SILVER SURFER is created by Jack Kirby. The character first appeared in Fantastic Four #48 (March
