

Smallville returns this Friday with the upcoming episode Booster. Show producer Brian Peterson gives us an in depth look at the episode, courtesy of Spoiler TV. After everything that happened with the VRA, Lois (Erica Durance) tells Clark (Tom Welling) it's best to make "Clark Kent" forgettable and awkward so people don't suspect he's The Blur. However, the two are stunned when a fame-hungry superhero from the future, Booster Gold (Eric Martsolf), sweeps into town and begins making saves and posing for press ops, completely winning over the city of Metropolis. Booster begins his campaign to take The Blur's place as the "World's Greatest Superhero" and tries to charm Lois into writing a story about him, but she's not having his antics and begins her own campaign for The Blur. During one of Booster's saves, an alien weapon in the form of a scarab falls from a truck and fuses itself
