"For me," Durance explained to Zap2it, "I would only enjoy Lois in the recipe that I'm in already. That's my reality of Lois. I would be open to all sorts of discussions about opportunities to revisit her, but to me, where my mind is right now, it would have to be with Tom Welling. It would have to be with Michael Rosenbaum. It would have to be this Lois, that I know. I want to try to embrace every moment that I have now, with her, but yes, I'd always be happy to consider something. It'd just have to feel right and I can't picture a scenario where it would feel right without Tom Welling as Clark Kent." What follows are a couple of excerpts from the interview: ZAP2IT: As much as we love the romance, I think a lot of fans have missed seeing Lois doing what she does best at the
