

With only two episodes left Smallville is winding down. The next episode, Prophecy, is our final episode before the finale, here is a clip from the episode. Clark takes Lois to the Fortress to get Jor-El's blessing for their marriage. Jor-El bestows a unique wedding gift to the couple- he gives Lois Clark's super powers so she can see what it's like to be him for a day. Unfortunately, the Toyman (Chris Gauthier) has returned to Metropolis, so Lois must go up against the notorious villain instead of Clark. Meanwhile, Oliver searches for the Bow of Orion, which he believes will remove the Omega symbol [linking him to Darkseid] from his skull, and runs into Kara (Laura Vandervoot), who is also on a mission to stop Darkseid.
