

The following was posted by Galactus in response to complaints about the Wolverine cameo spoiler: Galactus Insert: I posted this on the previous page, but I'll do it here to confirm that Josh isn't responsible for boldly reporting this spoiler. It was I, mighty Galactus who controls what is NEWS on this site, and this qualifies. I put it on the top story, and changed the headline, and added the actual scene. If you are someone who doesn't like spoilers about comic book movies, I ask, what the hell are you here for? This site is devoted to reporting anything and everything considered NEWS about comic book movies. Period. If we treat every piece of news as a spoiler, this would be a blank site. So think of it as an early Christmas present. Frankly, I believe most of you whiney biatches secretly LOVE a good spoiler and you just want something
