

The Destiny crew attempt to aid the civilization inhabiting a planet on the brink of destruction due to seismic activity. Starring: Robert Carlyle as Dr. Nicholas Rush Louis Ferreira as Everett Young Elyse Levesque as Chloe Armstrong Brian J. Smith as Lt. Matthew Scott David Blue as Eli Wallace Jamil Walker Smith as Master Sgt. Ronald Greer Alaina Huffman as Lt. Tamara Johansen Air Date is Monday April 25, 2011 Syfy channel. LEEE777 - Not many episodes left for this season, this being the 18th and the final series. What I can say is I wasn't that interested in the first season, but this season has been much more edge of your seat stuff. You can't go far wrong checking this out every week.
