

We posted a link to what we believed at the time might be the next TDKR viral Twitter page the other day, but it would appear that "Anarchy is here" was fan made. But, now it seems we may be getting the actual next stage in the campaign soon enough. JoBlo just Tweeted the following.. Hearing the next phase of the "Dark Knight Rises" viral campaign will launch soon and reveal the first look at Catwoman. Now obviously we can't take this as Gospel. These guys are pretty well connected though and I doubt they would have mentioned it at all if they didn't have solid info. But we shall see. More updates as we have em. By TwitterButtons.com
