

Deadline just broke an exclusive story claiming that 20th Century Fox has officially signed VFX worker Tim Miller to direct 'Deadpool'. This won't be Tim's first time working on an X-Men film, he previously did work for 2 other films in the X-Men franchise. 'Deadpool' will be Miller's directorial debut. Tim Miller has done visual work on 'Scott Pilgrim vs the World', 'X-Men', 'Daredevil', and X-2. The X-Men spinoff is set to star Ryan Reynolds as Deadpool, with a script written by Rhett Reese and Paul Wernick and Lauren Shuler Donner producing.
