

Earlier BestBuy had listed the Collectors Edition on their website as well as stating it will be priced at \$99. Today this information has been updated and now includes the actual contents. Although no images have been provided as of yet, check out the complete details about the Collectors edition listed below:

- Collector's Edition includes a premium statue, an art book, Gotham Knight animated content, early access to digital add-on content and more
- Premium statue is produced by Kotobukiya to bring the excitement of the game into the real world
- Flip through the pages of a brilliantly illustrated art book to soak up all the Arkham City content available
- Get a jump on the competition when you receive exclusive access to add-on content before anyone else
- Gotham Knight animated content brings the story to life

Batman: Arkham City hits shelves this fall for PS3, Xbox 360 and PC!
