

The actor branded as the "Old Spice Guy," Isaiah Mustafa has knowingly expressed interest in playing lead of Marvel Studios' tentative Luke Cage film, also stating last month that he had met with the studio. And now, if you thought his photoshoot wasn't convincing, check out a teaser video, via UltimateComicFan, giving an sense of what Mustafa could bring to the Power Man. While actual development of the film as been quiet, what do you think now of Isaiah Mustafa taking lead?
