

"I've smelled your blood now an you're never gonna outrun my whip!" --WHIPLASH --> Comic Book History Who is WHIPLASH? Several Marvel characters have gone with the name WHIPLASH, the very first one was Mark Scarlotti. He was a recurring foe of Iron Man who debuted in Tales of Suspense #97 (Jan. 1968). Scarlotti was an extremely gifted technician at Stark International, but he never received recognition for his hard work or scientific acumen. Jealous of the of Tony Stark's brilliance and fame, Scarlotti decided to become a costumed supervillain. Adopting the moniker WHIPLASH, he constructed a metallic, electrified whip capable of rending apart even the strongest of metals. As WHIPLASH, Scarlotti worked for the Maggia before becoming an underworld enforcer for shady industrialist Justin Hammer. First Appearance Later Scarlotti would change his moniker to Blacklash. After previous defeats at the hands of Iron Man, Scarlotti upgraded his weaponry and paraphernalia. He
