

In a recent interview with Empire Online, Zoe 'Uhura' Saldana has expressed interest in there being more physical contact between Uhura and Spock (played by Zachary Quinto in 2009's Star Trek). She also reveals that she'd want to fight the Romulans (the villains of the first film), hinting that they just might make a return in the film. "She told Empire Online: "I can maybe tell you what I'd like to see happen. For Spock and Uhura to really hook up. Or to get to do whatever physical activities. Kick some butt, some Romulan butt." Sounds interesting, eh? Anyways, Star Trek 2 hits theaters June 29th, 2012!
